

A letter to my future self

To be opened on: _____

| Today

Date

Age

Where I am writing from

| Right now

An ordinary day, the people around me, what things cost, what I listen to.

| By the time you read this, I hope

| What I am worried about

Write it anyway. It is often the line you value most later.

| Three questions for you

1.

2.

3.

| My promise or dare
